

Slide 1  
Slide notes:

In this session we look at the List Options, i.e. Report Options for listings of Service Jobs.

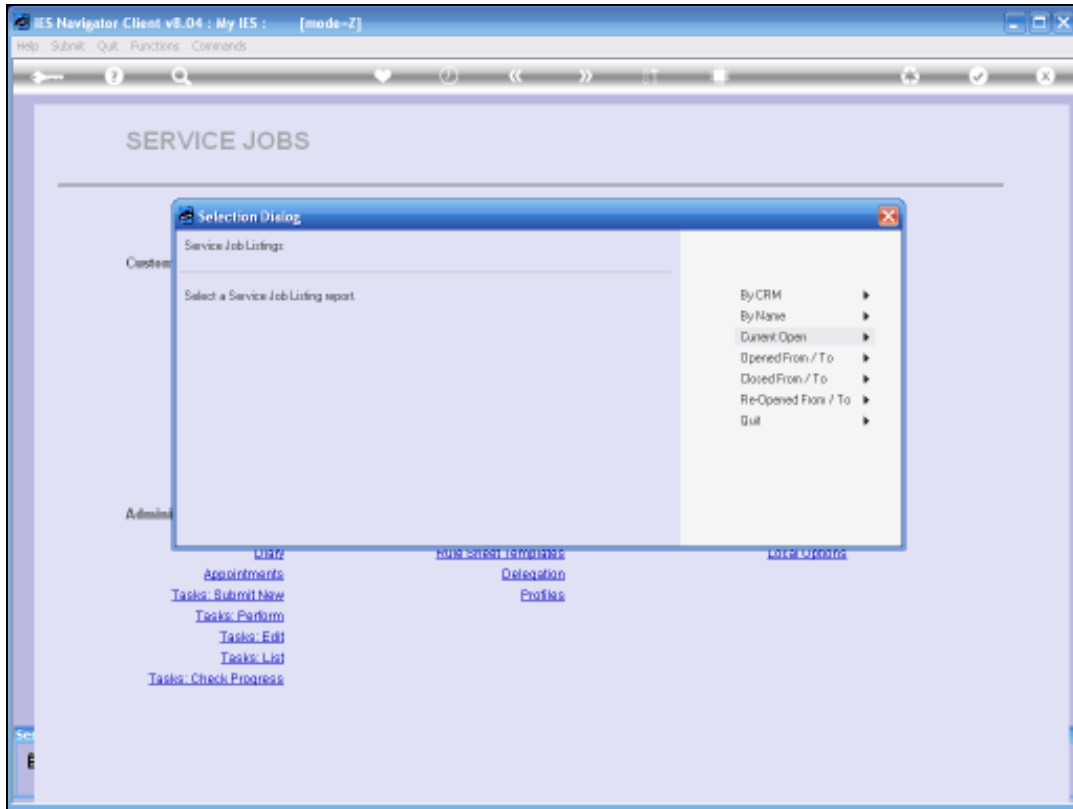

Slide 2

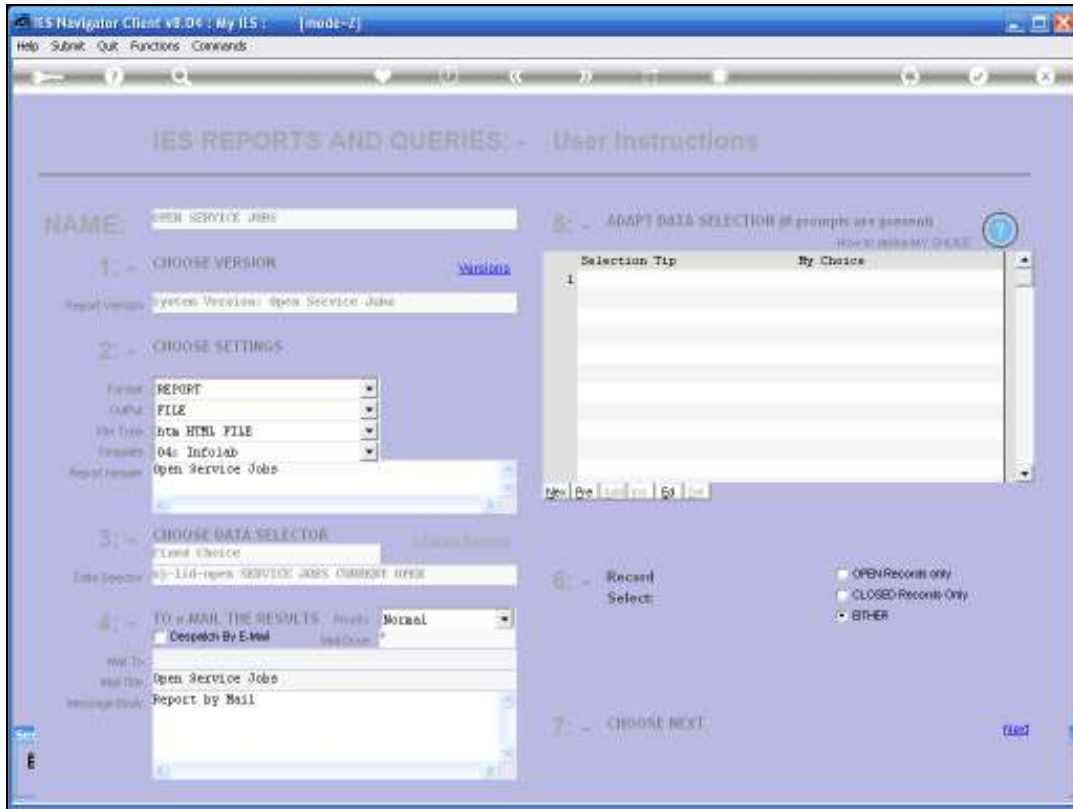

Slide notes:

We can List all the Service Jobs for a selected CRM Number. We can List Service Jobs by Name. We can List the Current Service Jobs. We can Select Service Jobs for a selected Date Range. All Jobs Opened during the Selected Date Range. Also all Jobs closed during a selected Date Range and also all Jobs closed during a selected Date Range and also all Jobs Re-Opened during a Selected Date Range.

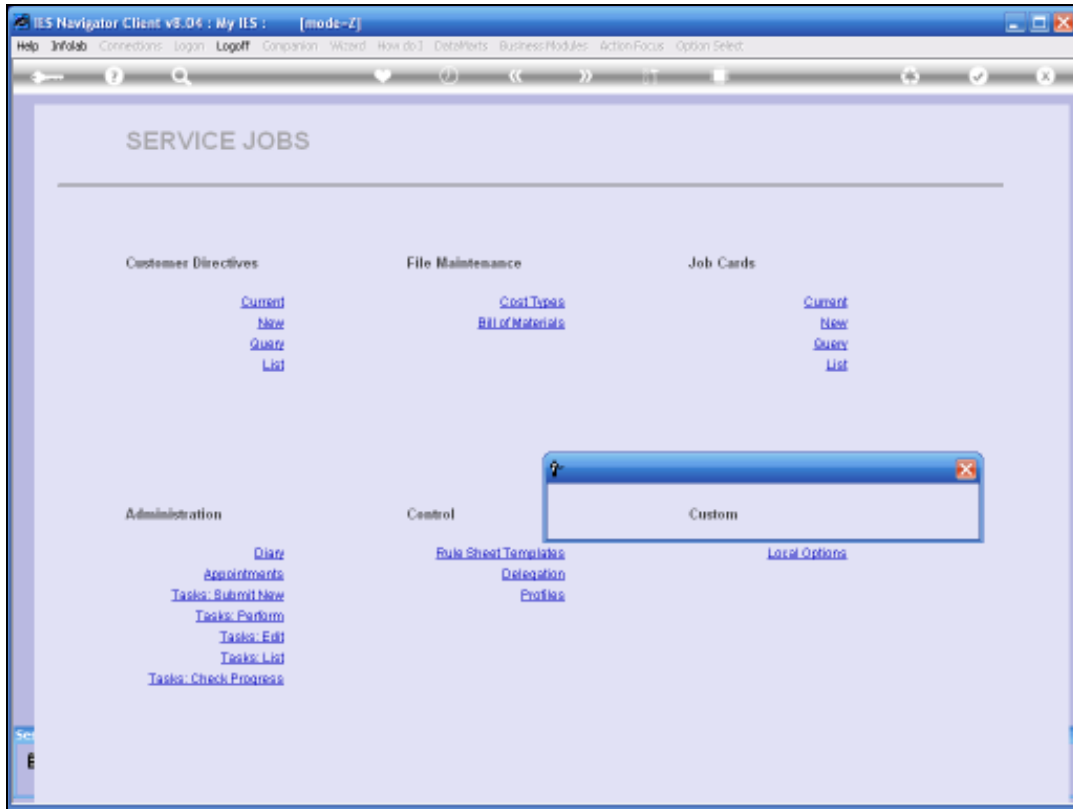

In this example I am simply going to List the Current Jobs.
